LES ANNÉES FOLLES

LYCÉE
INTERNATIONAL
DE CALGARY
GALA 2024

Dear Sir or Madam,

On April 13, 2024, Heritage Park's Gasoline Alley Museum is hosting Lycée international de Calgary's Les Années Folles Gala for over 300-350 prestigious members of Calgary's business and social community. We are writing to you to request your support towards our gala in exchange for promoting your company to an influential group of top executives, business owners, lawyers, medical professionals, and diplomats.

The Lycée welcomes over 40 nationalities and linguistic backgrounds each school year. Lycée students are educated in a truly multicultural and multilingual environment, preparing them to become responsible citizens and leaders in a global community. Your generosity makes the Lycée the premier French bilingual school in the city.

This year, your funds will contribute directly to buying **innovative and flexible furnishings for our new Maternelle building**. These flexible pieces would empower our teachers to create dynamic learning environments that support different teaching methodologies and encourage collaborative learning among our young students. Moreover, **our administrative offices would also benefit from receiving a much-needed makeover**, ensuring that our dedicated staff can work in a comfortable and efficient space that reflects our school's high standards.

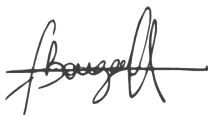

There are several customizable sponsorship/donation and promotional packages available. Our goal is to give your company maximum exposure through different strategies. With this in mind, we have designed the following packages for your review.

We thank you for your consideration. Please contact dawn.west@lycee.ca if you have any questions.

We look forward to hearing from you!

Frédéric Canadas
Head of School

Françoise Bougaëff
Associate Head of School

Dawn West
Advancement Committee Chair

Lycée international de Calgary is a private French School, belonging to network of about 600 French schools in 140 countries worldwide. The school is dedicated to providing a global and cultural experience for its students.
